

Knitting 101: Easy Knitting Patterns & Simple Projects for Knitting Beginners (Easy Knit and Stitch) (Volume 2)

This guide is intended for you to learn how to knit if you're an absolute beginner! Learning to knit can be a great hobby, and the best part of all is it's not tough to learn how to knit at all. This guide has everything you need to get started. We'll start with the basics and explore different tools and yarn. After that, it's on to the basic stitches, and then move onto simple free patterns you can start out with to build your skills and get used to handling your yarn and needles. These patterns will be small items you can do easily so that you can build up your confidence. Knitting is not only fun and a great stress reliever, it is a way to create something you can hold in your hands and appreciate. Making items for family and friends can be very satisfying. From blankets and scarfs, the easiest patterns can give some of the greatest comfort. Each pattern has easy-to-follow steps that will guide you along the way. You may think that knitting is just for grandmothers or is a hobby that no longer applies today but you're wrong. Knitting can be fun and easy - if you only know what to do. With the help of this book, you most certainly will. Written with the beginner in mind, we'll take you step by step through the pitfalls and how to fix some of the most common mistakes. By the time you're done, you'll be amazed at just what you can do and ready to tackle the bigger projects! Download a copy today and get started on this fun and easy craft that will keep you engaged for a long time to come.
