

## The Wolfhound Guide to the Dublin Monuments (Wolfhound Guides)

A city's monuments offer a unique insight into a nation. Dublin's monuments reflect Ireland's history, its choice of heroes, heroines, and events to commemorate, and its changing face. From Parnell Square through O'Connell Street, to College Green, Merrion Square, St. Stephen's Green, and along the canals, the author takes you on a tour of the memorials, statues, sculptures, and corporate art that adorn the streets, squares, and gardens of Ireland's capital. Packed with information on dozens of monuments, old and new, in a handy pocket-sized format, this is the perfect accessory for both tourist and native alike.
