

## Quickstart to Tango

Quickstart to Tango is the only book in print that contains the technique and development of either style of Tango. The book is packed with 60,000 words devoted to Tango. It fills the educational void for Tango dancers that are increasing daily in numbers. Additionally, there are histories of Tangos development and a conversation with Mr. Carlos Gavito the star of the Broadway Show Forever Tango and one of the most famous Tango dancers since Tangos Golden Age. 1.Second in the Quickstart Dance series from the author of Americas number one selling dance book. 2.Covers the basic choreography in both the Social-American Ballroom and Argentine Tango. 3.This text is presented in a logical and cumulative format that includes all the basic skills necessary for the successful learning, partnering, and teaching both styles of Tango. 4.Exclusive interview with Carlos Gavito from the Broadway cast of the smash hit Forever Tango. Also included are the history, myth, and lore of both styles of Tango. 5.An approach to Tango from a kinesiological point of view with an approach to mental and physical attitudes and philosophies.
