

## Her Own Rules

Meredith Stratton worked hard to become a successful businesswoman and now she owns six elegant inns all over the world. But on a trip abroad she is struck by a strange illness, one that seems to have no physical cause. Meredith has always played by her own rules and now she must uncover the roots of this mystery ailment that threatens her future happiness. The answers lie buried somewhere in her forgotten past. And with the help of a caring psychiatrist, Meredith will have to peel back the layers of her most carefully designed and constructed creation: herself.
