

Dancing Our Way Home

Enter the intoxicating world of performing in community with a step-by-step guide that combines practical exercises and improvisational forms. Proven methods reach out to classes, children in after-school programs, youth at risk and culturally and socio-economically diverse groups in any setting. Create collaborative choreography based on participants stories, histories, and the unique issues of their community. Provide enriching opportunities to give to others, to share their talents and to be seen and heard in artistic collaboration .
