

Blazing Mandolin Solos: For One Player or More

This mandolin edition includes the same 16 tunes found in Kaufmans out-of-print Twin Pickin flatpicking guitar book, soon to be available as Blazing Solos for Flatpicking Guitar for One Player or More. The tunes in both editions are in the same keys so the books can serve as a foundation for fabulous twin-picking jam sessions in which either guitarists or mandolinists can take the lead and harmony parts. In addition to the tunes, Kaufman includes performance notes, guidelines for reading standard notation and tab plus his take on the harmonization process. Includes access to online play-along audio with three tracks for each tune (Lead, Harmony, and Lead & Harmony).
