

## Cable Left, Cable Right: 94 Knitted Cables

Knitted cables, with their three-dimensional twists and turns, are a common element in lots of patterns but most patterns don't include directions for executing them. Cable Left, Cable Right, by expert knitter Judith Durant, eliminates the mystery with detailed, in-depth instructions for creating 94 different styles of cable, from perfectly plain to fantastically fancy. Close-up photos and clear instructions teach you the techniques you need, including design options like braids, diamonds, and pretzels so you can make your cables truly one-of-a-kind. This book is the perfect companion to any knitting pattern featuring cables, giving you the information and skills to make polished, beautiful, and unique cables for any project.
