

Civil Actions Against the Police: Mainwork and Supplement

Civil Actions against the Police provides comprehensive analysis of the civil rights and remedies for police misconduct. It covers complaints against the police as well as the practice and procedure of bringing a claim. It provides detailed explanation on the traditional tort actions that may be brought against the police as well as the developing tort of misfeasance in public office and claims in breach of confidence and data protection. * Covers all possible actions against the police in one place * Provides detailed procedural guidance - ensuring practitioners have all the information they need when preparing a civil action * Includes all the relevant documents - including PACE Codes and JSB Specimen Directions * Covers damages and other remedies * Includes new chapters on Negligence, Discrimination Claims and Human Rights Act Claims
