

## Spider-Man: With Great Power... (2008) #2

As Stan Lee wrote in the pages of *Amazing Fantasy* (1962) #15, Now, anybody with the intelligence of a seven year old knows that if a man appeared on TV who seemed to be more spider than human, hed be an overnight sensation! For the first time, we peel back the curtain to see what Peter Parkers life was like after the bite but before the tragic death of his Uncle Ben. Professional wrestling, cars, girls, fame, moneyladies and gentlemen, meet Peter Parker, the wallflower bitten by a radioactive spider and given great power!
