

Company Keepers: Dance Ministry Daily

Dance ministry preparation begins long before a song is selected. Daily study and insight will lead the dance minister into a more rewarding and impactful experience in the ministry of movement. Contained in these pages are insight and application for the beginning dancer as well as the seasoned movement minister. Let these daily reminders serve as a testimony that we live, move, and have our being in Him as we move beyond the platform and exercise his Word in our hearts and spirits.
