

Cowboy High Style: Thomas Molesworth to the New West

Thomas Molesworth has inspired a new generation of men and women who, today, are leading the country in western revival by crafting quality furnishings of leather, driftwood, swollen burls, and peeled poles. This book takes a fascinating look at the Arts & Crafts tradition--the way it was then and the way it continues now. Functional, comfortable, and often whimsical, the works shown here are representative of the furniture and accessories that are so popular today. Paperback; 140
