

## Elks Run #1

Elks Ridge was founded as a closed haven, dreamt up by Vietnam veterans looking to create a utopia. And in the beginning, it seemed like it might actually work. However, years later, the town has become a powder keg. When a desperate bid for freedom results in the accidental death of a child, the town must decide what terrible acts they are willing to commit in order to preserve their way of life. And the youth of the sleepy town who never had a choice must forsake all they know in order to stand up for what is right. From writer Joshua Hale Fialkov (THE BUNKER, THE LIFE AFTER) and artist Noel Tuazon (TUMOR) comes a horrific tale of small-town fanaticism.
