

## Fables Vol. 16: Super Team

Now why oh why in this mixed-up world would we saddle an important series that has never had anything to do with Super Heroes with a title like Super Team? And why has that snotty little Pinocchio suddenly got it into his head that he needs to design tight-fitting costumes for a carefully selected team of Fables? In fact, why was the little brat caught looking over his own comic-book collection, mumbling things like, We can call him Werewolf Man, and he can be The Golden Knight, and she can be called The Green Witch? This volume also includes a special story illustrated by Terry Moore (Echo, Strangers in Paradise)!
