

An Encyclopedia of the Modern Era, 1940 to Present (Fishing Lure Collectibles)

Collectors have been waiting for the newest book from Dudley and Deanie Murphy. In this volume of more than 3,500 lures shown in full color, the authors address the most collectible fishing lures made since 1940. In addition to the major Big Six companies and miscellaneous lure makers, this volume, for the first time, provides insight into spinning lures, folk art lures, and the rapidly growing area of contemporary collectibles. Considered by collectors to be the most useful reference available on post 1940 vintage antique fishing lures, this volume takes a fresh approach to explaining the hobby. The reader will quickly discover the combination of significant historical information, realistic values, and crisp photography in a concise presentation to be a real asset in lure identification and values. This book is sure to be the most complete and convenient single volume on fishing lures available today. 2006 values.
