

Handel (Classic Reprint)

Excerpt from Handel For a proper appreciation of the colossal work of Handel many years of study and a book of some two hundred pages are very insufficient. To treat at all adequately of Handels life and work needs a whole lifetime in itself, and even the indefatigable and enthusiastic Chrysander, who devoted his life to this subject, has hardly encompassed the task. I have done what I could; my faults must be excused. This little book does not pretend to be anything more than a very brief sketch of the life and technique of Handel. I hope to study his character, his work, and his times, more in detail in another volume. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy.
