

Bob Marley: Visual Music

As a young photography student in 1980, David Jamaica Brooks struck gold and was personally invited to tour the US with Bob Marley and the Wailers. Marley had to cut the tour short, due to illness, and, tragically, the performances were his last. This is the amazing story of how a student found himself on tour with Bob Marley and the Wailers and the memorable road trip, alongside David Brooks iconic backstage photographs of the reggae stars final gigs. The Author: David Brooks is an internationally acclaimed photographer.
