

## Glorious Knitting

Offering over 30 exclusive patterns for jackets, coats, waistcoats, dresses, shawls and slippers for men, women and children, this book also gives ideas for variations for the more adventurous knitter. The rich blend of yarns and use of colour give the illusion of complexity, but the designs themselves are all based on simple shapes and stocking stitch and are well within the capabilities of the average knitter. The simply written patterns are accompanied by full-colour photographs, easy-to-follow charts and advice on how to choose colours and yarns, as well as information on the background and sources of the designs. Other books by Kaffe Fassett include Glorious Needlepoint, Kaffe Fassett and the V&A, Family Album and Glorious Inspiration.
