

Gooseberry Patch: Sweet & Simple Embroidery

Celebrate the good things in life with a few simple stitches. Embroidery is easy to learn and so rewarding to do...you can add color to a sweater or make a floral coaster in just minutes! Add a little sewing, and you can create an apron bordered with button-centered daisies. Handed-down hankies embroidered with pretty blooms quickly fold into fragrant sachets. Picture your vanity table enhanced by a dresser scarf accented with satin-stitch blossoms on each end. Any of these country pleasures would be thoughtful gifts, including the framed sayings. 23 designs for framed artwork, aprons, mug mats, a bread cloth, day-of-the-week tea towels, a dresser scarf, sachets, a pillow, and a collar and cuffs for a sweater.
