

Greetings from Albuquerque

On the banks of the Rio Grande, in the foothills of the Sandia Mountains, and in the geographical center of the state of New Mexico lies the city of Albuquerque. Over 200 vintage black and white and hand-tinted postcards from the 1900s to the 1960s take readers on a fantastic journey back in time, to tour Albuquerque and beyond. Many interesting and famous spots are showcased. See the AT & SF Railroad Depot and the Alvarado Hotel in all their former glory. Browse through the selection of handmade Native American arts and crafts sold in Wrights Trading Post or by vendors in Old Town Plaza. Take in a show at the KiMo Theater, stroll among the historic buildings and shops of Old Town, or stop for a tour of the University of New Mexicos campus. Travel outside Albuquerque for a trip up the Sandia Mountains and a tour through Sandia Pueblo.
