

After Cleo, Came Jonah

Jonah entered Helen Browns life not long after she was diagnosed with breast cancer and had begun recovery from a mastectomy. His arrival coincided with the finalisation of her previous book, Cleo, as well as preparations for the wedding of her son and struggles with her daughters determination to embark on a spiritual journey. Jonah, as it happened, was just as headstrong as Helens daughter. So while Helen attempted to deal with her own mortality and help arrange a wedding, her daughter took off to war-torn Sri Lanka and Jonah fled down the street. In Cats and Daughters, Helen Brown writes with honesty and humour about family life, its serious setbacks and life-changing events. She also learns that sometimes the best thing a strong mother and cat slave can do is step back, have faith in those she loves and be grateful nothings perfect. As Helen writes in her dedication, this book is to cats and daughters who dont always come when called.
