

Hit-Monkey #1 (of 3)

You know what happened on that fateful day he first picked up a gun, now find out what happened next. Bullets will fly, killers will die...and a soulful simian will, for the first time, don his trademark suit and tie.

Hit-Monkey (Volume) - Comic Vine Hit-Monkey has finally avenged the death of the Nameless Assassin. However, before he can holster his guns for the last time, he must defeat Hit-Monkey 1 - Comic Book Realm Year of the Monkey, Part 3. November 2010 Issue #2. Year of the Monkey, Part 2.
