

# An Introduction to C Programming

THIS IS WHAT PEOPLE HAD TO SAY ABOUT THIS BOOK SO FAR. Kevin Rose - Its quite a nice book, I have just read it, and the good thing about this book most of the topics are discussed in a very simple way and most importantly with examples, I really liked it. Deep Banerjee - very simple to understand yet very informative and concise.....i would really suggest this to anyone who is interested to learn C. Pradip Ghosh - It is the best book according to concept
