

Terminal Hero #5: Digital Exclusive Edition

Addicted and dangerous, in a desperate attempt to strengthen Treatment Q, Mia and Minesh kidnap scientists at the research station where it was developed, and where professor Q is being kept in a ghastly half life. Meanwhile, Rory is struggling with his own demons until a meeting with an old and very unwelcome friend spins his life in an even more horrible direction. Addictive loops, jealous monsters, and an unlikely offer of a pact.
