

## Judge Dredd #23

Black Light District, part 2--Sector One is under the savage rule of the Dark Judges. The Council of Five has gone underground to survive. And the rest of Mega-City One has been taken over by Judge Cal, who sees this as the perfect opportunity to institute a few tiny changes to your average citizens liberty, safety and security. Only Judge Dredd and a barely-alive Cassandra Anderson are able to slip through the borders, leaving them the unenviable task of preventing hell on earth and the mad reign of a despot!
