

Kids Knit!: Simple Steps to Nifty Projects

Children love to knit plus it's a must for any Brownie or Girl Scout who wants to earn her badge. From dolls to doll blankets, scarves to backpacks, the 20 projects in this fun, colorfully illustrated collection are especially geared to kids. The easy-to-follow lessons proceed logically from very basic to more advanced skills, so youngsters can keep on learning as they work. They'll see how to read patterns; cast on and do simple stitches; bind off; darn in the ends; make tassels, fringes, and pom-poms; sew on a snap fastener; join a new ball of yarn, and more. It won't be long before the youngest knitters are completing a headband, cat toy, teddy bear puppet, and drawstring purse.
