

Legendlore #16: Wrath of the Dragon (4 of 4)

Wrath of the Dragons Part 4 of 4. Meet the Draegyn, a descendant race of the ancients in whose blood flows the vitae of Dragonkind. In this place that the mage Flagrin Fallacewan calls the Vale of Dragons, unrest subsists and is coming to a boiling point. As the strife of the Draegyn grows, Dominic, Silverfawn and Letha become irrefutable proof that life exists elsewhere. The youths of this ancient race deem it is time to go against the exalted command and embark upon the attainment of new ground, a new domain, and a new age. With the reawakening of certain dragons, and the new lord of Drohm and Carahill exerting his new rule, can Azoths heroes withstand this latest threat? The shocking conclusion to the Wrath of the Dragons arc that will reset the stage for Legendlore!
