

Strange Heroes #2

Bill Willingham writer of the smash hit series FABLES tells a pair of stories detailing the lives of strange heroes living in very odd worlds. In Otherland, Mary Arevalo washes up on a desolate shore and to find a beautiful and savage land. Richard Trent, also known as Tanakura, saves Mary's life and together they travel this strange world in search of a distant settlement of humans. In Spellbinder, a former Combat Sorcerer named Cornelius gets assigned to young Tommy Bowen as his instructor. Tommy's Sorcerer training has him dressing as a superhero to disguise his magical nature from the eyes of a prying public. Tommy's first mission to find and eliminate a nest of Grendels goes off track.
