

Lobo Vol. 1: Targets

The universe's greatest bounty hunter. The last Czarnian. The unstoppable alien assassin Lobo has reclaimed his identity from the impostor that stole it, but now he finds himself without a sense of purpose. Luckily a new employer comes on the scene with an attractive offer: Lobo can either kill seven of the universe's top assassins or spend the rest of his life in jail. Now, saddled with a crew of human partners he never asked for, Lobo has to locate his quarry one by one while making sure that the assassins can't kill the target they've been hired to destroy: Earth. The entire planet. If that means teaming up with Superman, so be it. But the one thing that Lobo never expected was to run into one of the assassins who may be his equal. Someone who shares a very similar background as him...and may shed new light on his own tragic past! Writer Cullen Bunn (SINESTRO) and artist Reilly Brown (Cable & Deadpool) reinvent the Main Man for the DC Universe...and Lobo is as deadly and merciless as ever! Collects LOBO #1-6.
