

## The managing of police organizations

For undergraduate Police Management/Supervision courses. Makes an ideal resource for promotional testing and teamwork effectiveness. This innovative text explores ideas and methods police managers can use to instill a winning attitude in their employees and successfully lead their agency toward quality and excellence of service. Using a highly interactive approach, it seeks to chip away at constricting operational levels and barriers within the organization itself, and between the organization and the community it serves. Paul Whisenand has been a management trainer and consultant for over 30 years.
