

## Cornys Fetish

Corny is a lonely guy with a crush on his next door neighbor. He watches her life from his window, and imagines himself in it. When bad things begin to happen, Corny knows he has what it takes to comfort her, but cowardice forces him to do it anonymously. Corny is in a tug-of-war between fantasy and reality, and at the center is his heart. This sweet story of an ill-fated romance of the mind is by Renee French, the crafty, twisted imagination behind the hit comic *The Ninth Gland*. Plus, two covers -- a front cover by The Invisibles Brian Bolland and a back cover by Hates Peter Bagge.
