

Planning and Urban Growth in Nordic Countries (Planning, History and Environment Series)

This book was originally printed as a hardback in 1991. The paperback released in 2011 is a reprint of the originalPlanning and Urban Growth in Nordic Countries examines urban development and planning in Denmark, Finland, Norway and Sweden. Emphasis is on the period from the mid-nineteenth century to the present day, and the authors of each country-study look at their own national developments against the background of those in other Nordic countries well as the rest of Europe and the USA.
