

Richard Ellis Handbook On Condominium And Strata Title Property Cases

The Richard Ellis Handbook on Condominium and Strata Title Property Cases is written for people who are involved in the management of strata titles properties under the Land Titles (Strata) Act (cap 158, revised edition 1988). The cases included are a selection from those decided by the Strata Titles Board since its formation in 1988. The cases selected relate to the problems that are most frequently encountered and those that are most relevant to council members as well as property owners.
