

## Punisher War Journal (2006-2009) #26

The Secret Invasion might be over, but the aftermath has just begun. In the ashes of a world where up is down, black is white, and victory has come at an extraordinary price, whose side is The Punisher on? Where does G.W. Bridge, a soldier all his life, go when the war is over? And if the invasion is over, who has Frank Castle in their sights? Some wars will never end.
