Blueprints
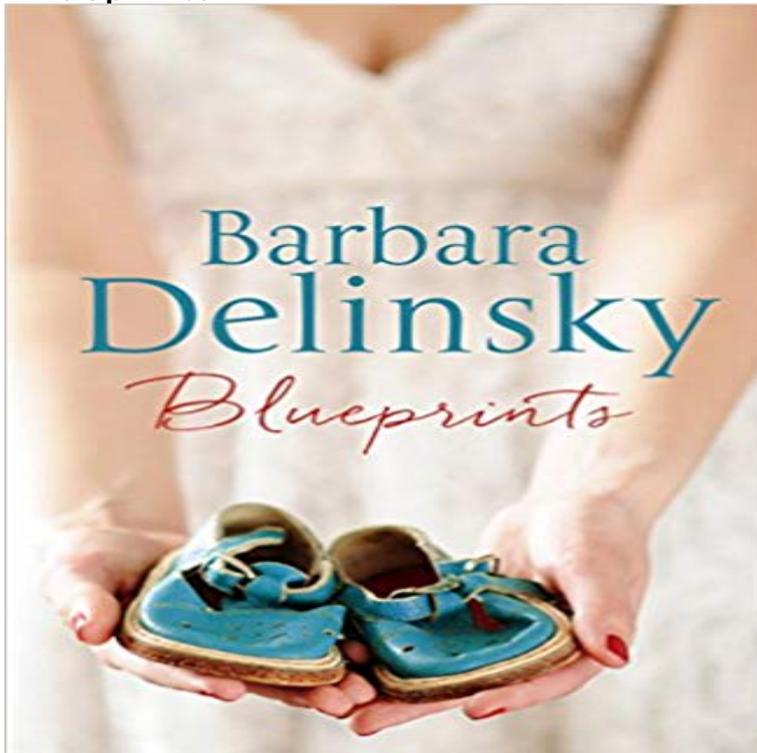

Everything was perfect on paper ... Jamie MacAfees life is almost perfect. Shes sure she loves her fiancee, even if she hasnt quite worked out why she wont set a wedding date and she certainly adores her job, working as an architect on their family home renovation show. Meanwhile, her beloved mother Caroline has built up her confidence after a painful divorce, working closely alongside her daughter as the very successful host of Gut It!. Everything is going to plan, until the lives of both women are changed overnight.When the TV channel plan to replace Caroline with Jamie as the shows host, Caroline is left feeling horribly betrayed - and old in the eyes of the world. Then tragedy strikes, leaving Jamie guardian to her small, orphaned step-brother and fiancee to a man who doesnt want the child.Who am I? Both women ask, as the blueprints theyve built their lives around break down. While loyalties shift, decisions hover, and new relationships tempt, its time to find out what they really want - and where their future lies ...Praise for Barbara Delinsky:Warm, rich, textured and impossible to put down. - Nora RobertsFans of Jodie Picoult will love this ... a poignant family story. - Daily ExpressCompelling reading - The SunDelinskys writing is fluid and makes for a hard-to-put-down book. - Glamour
