

SHACKLED BY DIAMONDS (Harlequin comics)

Leo Makarios, the head of the Makarios Company, is in a bit of a bind. He's got proof that Anna Delane stole a precious piece of jewelry from one of her many model shoots... Or did she? He offers Anna an ultimatum: stay with him, and the police needn't find out about her theft. While Anna's used to taking direction from photographers, can she put up with the sexual demands of a man who holds her future in his hands, who's able to dash it with a simple call to the police?
