

Spawn #97

Angela rescues Spawn from his impaled position and gives him the lowdown on their new mission even after she received orders on to act. Other angels debate the order, saying it is their duty, their purpose to fight while others claim it is their job to follow orders. Spawn and Angela find Cog and try to pry ancient information out of him, but he is vague and uncooperative. Later, after Spawn and Angela leave Cog, they argue and even get into a bit of a tussle. Angela is surprised to learn that Spawn still hasn't figured out his earthly role. Meanwhile, Urizen is leading people to their deaths like a monstrous Pied Piper.
