

Spyboy/Young Justice

The deadly duo of REMbrandt, the artist of dreams, and Annie Mae, the diminutive Japanese crime boss who looks like a child but is hundreds of years old, has hatched a plan to control the dreams of their victims and give these nightmarish incarnations physical form. Only SpyBoy, his spy-pals, and the Young Justice team have experience with these threats. They'll have to join forces if they hope to defeat this villainous alliance, thwart a plan to bring about international chaos, and discover REMbrandt's true identity. Super-teens unite in this first ever inter-title crossover featuring both creative teams from Dark Horses SpyBoy and DC Comics Young Justice! Featuring a new jam-cover by Mhan and Nauck.
