

More and more women are keen to explore their options for childbirth, and to choose the kind of birth that they feel is best for them and their babies. For many women, giving birth at home in their own surroundings has significant advantages. In this book, Sheila Kitzinger gives the reader all the information she needs to plan a birth in a setting that she can control herself, whether at home, in a birth centre or in a birthing room. She cites first-hand accounts of birth in and out of hospital.
