

The Big Book of Breasts

The best of the biggest in a new portable package: It'll knock both your eyes out! Some call it the American obsession, but men everywhere recognize the hypnotic allure of a large and shapely breast. In *The Little Big Book of Breasts*, Dian Hanson explores the origins of mammary madness through three decades of natural big-breasted nudes. Starting with the World War II *Bosom-Mania* that spawned Russ Meyer, Howard Hughes' *The Outlaw* and *Fredericks of Hollywood*, Dian guides you over, around, and in between the dangerous curves of infamous models including Michelle Angelo, Candy Barr, Virginia Bell, Joan Brinkman, Lorraine Burnett, Lisa De Leeuw, Uschi Digard, Candy Kane, Jennie Lee, Sylvia McFarland, Margaret Middleton, Paula Page, June Palmer, Roberta Pedon, Rosina Revelle, Candy Samples, Tempest Storm, Linda West, June Wilkinson, Julie Wills, and dozens more, including Guinness World Record holder Norma Stitz, possessor of the World's Largest Natural Breasts. This new downsized edition contains all the same beautiful and provocative photos of these iconic women, plus the nine original interviews, including rare conversations with Tempest Storm and Uschi Digard, and the last with Candy Barr before her untimely death in 2005. In a world where silicone is now the norm, these spectacular real women stand as testament that nature knows best, and this new affordable edition shows TASCHEN knows what you want. Text in English, French, and German
