

The Finale NotePad Primer: Learning the Art of Music Notation with NotePad

(Book). Here's the definitive guide to mastering music notation with Finale NotePad! This easy-to-use reference unravels the intricacies of NotePad, the introductory yet powerful program that enables musicians to edit, reformat and reorganize notation for any composition into a musical masterpiece. Providing step-by-step guidance, this fully illustrated primer offers exercises, projects, a special section on guitar, and power-user tips for improving speed and becoming a NotePad expert. Indispensable whether you're transcribing an existing piece of music or creating an original work, this book includes: NotePad how-tos for both Macintosh and Windows, ready-to-use NotePad software and templates on the CD-ROM included with the book, and a free demo version of Finale PrintMusic.
