

THE GREEK TYCOONS VIRGIN WIFE (Harlequin comics)

Fashion designer Ilana Girard is too busy with the next fashion contest to be worried about love, so when she meets Xandro Caramanis for the first time, she isn't distracted by his playboy actions. He relentlessly pursues her, though, and surprises her with a kiss. When the tabloids get a hold of the picture, rumors spread, and Ilana's stalker ex-fiance emerges to threaten her safety once again. Xandro attempts to remedy the situation by protecting her, but can Ilana overcome her dark past? And what secrets does Xandro hide behind his magnetic smile?
