

Trojan Records started life in 1967 as an offshoot of Chris Blackwells Island Records. By 1969 it had hit its stride, and for the next six years Trojan ruled the reggae roost, with over 30 charted hits. Luminaries like Gregory Isaacs, Inner Circle, and Dennis Brown were introduced by Trojan, and Bob Marley's first UK album, Soul Rebels, was issued on the label. Trojan also issued the breakthrough Tighten Up compilations. What fans could not know were the cutthroat politics, cultural divisions, racism, and entrepreneurial pressures that drove the label's success and ensured its demise. This book tells that story through rare interviews with surviving artists and musicians of the label. Dozens of photographs and a 12-track sample CD with notes are included.

Anicii Manlii Severini Boethii De Consolatione Philosophiae: Libri V. (Spanish Edition), Economic Origins of Jeffersonian Democracy, Embedded Systems Design, Second Edition, Unleash the Power of Adobe Dreamweaver Cs6, Famine in North Korea: Markets, Aid, and Reform, Moon Knight (1980-1984) #18, James Bond: Goldfinger, Married to the Boss (Harlequin comics), The Works of Jonathan Swift, D.D.: With Copious Notes and Additions and a Memoir of the Author, Volume 4,
