

## Three John Silence Stories

An excerpt: And what is it makes you think I could be of use in this particular case? asked Dr. John Silence, looking across somewhat sceptically at the Swedish lady in the chair facing him. Your sympathetic heart and your knowledge of occultism-- Oh, please--that dreadful word! he interrupted, holding up a finger with a gesture of impatience. Well, then, she laughed, your wonderful clairvoyant gift and your trained psychic knowledge of the processes by which a personality may be disintegrated and destroyed--these strange studies youve been experimenting with all these years-- If its only a case of multiple personality I must really cry off, interrupted the doctor again hastily, a bored expression in his eyes.
