

Tile Makes the Room: Good Design from Heath Ceramics

From Heath Ceramics, the beloved California designer, maker, and seller of home goods, comes a captivating and unprecedented look at beautifully designed interiors where tile is an important and integral part of the design. *Tile Makes the Room*, by Heath's owners Robin Petravic and Catherine Bailey, winners of the National Design Award from the Cooper Hewitt, Smithsonian Design Museum, is about exceptional spaces and places the kind you want to step into and examine each and every detail of where tile is the main ingredient, though not the only star. From the dwellings of notable designers to everyday homeowners, grand installations and subtle designs all showcase tile's role in the form and function of architecture and interiors. The book, for design professionals and aficionados alike, features inspiration on every page; a look at tile making; a unique perspective on color, pattern, and texture; and public installations around the world to visit and enjoy. *Tile Makes the Room* is essential reading on interiors and tile.
