

Tom Ford caused a sensation when it was first published in 2004. This giant slice of fashion history, now back in print, celebrates the designers phenomenal career, during which he brought the house of Gucci back from the dead and then dethroned the great Yves Saint Laurent. With images by Richard Avedon, Helmut Newton, Steven Meisel and Terry Richardson, as well as texts by Anna Wintour and Graydon Carter, the book showcases Fords magic touch on iconic catwalk pieces, provocative ad campaigns and elegant interiors. Anyone with an interest in fashion will want to own Tom Ford.
