

## War is Swell

World War II spanned artist William Anthony's boyhood from ages 7 to 11, and the child was fascinated by every aspect of the conflict as it was relayed to him through letters, newspapers and comic books. In *War Is Swell*, the adult Anthony reenacts this innocent experience of war in his raw signature style drawings, unfiltered and untempered by political correctness. A testament to childhood enthusiasm and a harrowing glimpse into the mechanics of propaganda and ignorance. Dimension: 12 x 9 inches, 112 b&w drawings.
