

Welcoming Your Second Baby

The thought of having a second child is often overwhelming to parents. With her trade mark humor and practical advice, well known parenting author, Vicki Lansky guides parents through the major transition from one child to two. WELCOMING YOUR SECOND BABY offers hundreds of practical tips and advice for preparing an older sibling for the baby's entrance into the family. Parents will find this book filled with helpful information for their own adjustment to the new baby as well as their child's. There are listings of services, resources, support groups and lots of other parent-tested it worked for me testimonials. A complete index makes the information easy to find and a welcome feature for any busy parent eager to reduce sibling rivalry.
