

## Snow Bunny Surprise (Interracial Multiple Partner Erotica)

Most guys get a new shirt or a gift card for their birthday. Katrina, being the excellent girlfriend that she is, brings home another girl to show her man that she loves him. Her best friend Rachel is a sexy white girl with red hair, who loves girls just as much as she likes guys. They take turns sucking and licking her man, before doing the same to each other and taking a pounding for the ages! EXCERPT: Your turn, I said, turning to her with a cocky look in my face. I wasn't sure what to expect. She very well could have had a change of heart and gotten jealous while I was going to work on her friend. Instead, what I saw was the exact opposite, and she seemed even more attracted to me. That was so fucking hot, she said, with fire in her eyes. I love you, Katrina said, pressing her lips against mine and shoving her tongue down my throat and licking my lips and Rachel's juices off of my face.
