

Rivers of the Heart

Beautiful, wilful and untameable, Kitty Hayes has only ever loved one man. From the moment she met him, she believed with all her heart that her adopted brother Freddy would one day be her husband. When he chooses to marry her pretty, feminine, despised sister instead, it breaks more than her heart. Torn between fury and sorrow, Kitty makes her own brilliant match. She doesn't love Ben Maddox - she scarcely notices him, even though he is fascinated by his headstrong bride. It is only when her selfishness leads to an unforgivable accident that she realizes what she has lost. And by then, it may be too late.
