

X-O Manowar Volume 2: Enter Ninjak

Agents of the alien race known as The Vine have been living in secret among us for centuries, and now they've just been activated for one final mission: purge the Earth of all human life! An invasion fleet is on its way and the only weapon in existence powerful enough to defeat it is the X-O Manowar armor. To pinpoint The Vines weaknesses, Aric will need to enlist the help of the master weapons specialist charged with taking him down: the feared and formidable Ninjak. But, first, Aric will have to convince him that his masters in British Intelligence have sold humanity into the hands of the enemy... From New York Times best-selling author Robert Venditti (*The Surrogates*) and acclaimed artist Lee Garbett (*Batman & Robin*), this volume collects the best-selling Enter: Ninjak storyline from X-O MANOWAR #5-8, featuring the debut of Valiant's next breakout hero!
